Redstar Gold Adopts Advance Notice Policy

Vancouver, Canada - Redstar Gold Corp. (TSX.V:RGC) ("Redstar" or the "Company") announces the approval and adoption by its Board of Directors of an advance notice policy (the "**Policy**"). The purpose of the Policy is to provide shareholders, directors and management of the Company with a clear framework for nominating directors of the Company. The Company is committed to: (i) facilitating an orderly and efficient annual general or, where the need arises, special meeting, process; (ii) ensuring that all shareholders receive adequate notice of the director nominations and sufficient information regarding all director nominees; and (iii) allowing shareholders to register an informed vote after having been afforded reasonable time for appropriate deliberation. The Policy is intended to further these objectives.

The Policy, among other things, includes a provision that requires advance notice to the Company in certain circumstances where nominations of persons for election to the Board of Directors are made by shareholders of the Company. The Policy fixes a deadline by which director nominations must be submitted to the Company prior to any annual or special meeting of shareholders and sets forth the information that must be included in the notice to the Company. No person will be eligible for election as a director of the Company unless nominated in accordance with the Policy.

In the case of an annual meeting of shareholders, notice to the Company must be made not less than 30 days and not more than 65 days prior to the date of the annual meeting; provided, however, that, in the event that the annual meeting is to be held on a date that is less than 50 days after the date on which the first public announcement of the date of the annual meeting was made, notice may be made not later than the close of business on the 10th day following such public announcement.

In the case of a special meeting of shareholders called for the purpose of electing directors (whether or not called for other purposes), notice to the Company must be made not later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting was made.

The full text of the Policy is available on the Company's website (www.redstargold.com) or upon request by contacting the Company's Corporate Secretary, Sheryl Dhillon, at (604) 484-7855.

The Policy is in effect as at the date of this news release. Pursuant to the terms of the Policy, the Company will seek shareholder ratification of the Policy at its next annual general meeting of shareholders (the "**Meeting**"). If the Policy is not confirmed at the Meeting, the Policy will terminate and be of no further force and effect following the termination of the Meeting.

About Redstar Gold Corp

Redstar is a junior exploration company focused on high-grade gold exploration in North America. In Alaska, the Company is exploring the 100% owned high-grade Unga Gold Project which was initially acquired in 2011. The Unga Gold Project contains several high grade gold/silver vein systems, two of which, Apollo & Sitka were sites of historic high-grade gold production.

Redstar also owns 30% of the Newman Todd Gold project, in Red Lake, Ontario, Canada and 100% of 11 properties in Nevada. Newman Todd is a high-grade gold discovery along a 1.8 km corridor within the Newman Todd Structure (NTS). The gold mineralization in the NTS remains open along strike and at depth.
